                                       Mrs. Spencer

**OPENING:**

- Dr. Bolden opened the meeting announcing that we are partnering with Morehouse School of Medicine and University of Georgia Veterinary Science Department.

**WORK SESSION:**

- Dr. Bolden stated that he would like to have a banner lifting ceremony for STEM on the 2<sup>nd</sup> day of school.
- The 1<sup>st</sup> day of school his vision is for all teachers to wear a school shirt.
- The 2<sup>nd</sup> day of school STEM teachers wear STEM shirts.
- The vision is for an end of semester program for STEM
- Students to apply and compete for Science Olympiad, Chess, Robotics
- 1<sup>st</sup> week of school, students should begin research for science and social studies fairs
- August 7 Open House
- Dr. Bolden stated an interest in the Huntsville, AL trip to be moved to up September.
- Dr. Bolden has a vision for an African-American astronaut to visit McNair (Mrs. Pearson took the lead in securing the visit)
- Dr. Bolden would like Dr. McNair’s brother to visit on Ronald E. McNair Day (Birthday 10/21)
- Parents have been asking about being in the STEM class and we would provide students with STEM Extended Outreach (clubs, special programs, outings)
- Parents have been notified that students who were not placed in STEM classes yet, were placed on the waiting list because we did not know the class size maximum yet.

**CLOSING:**

Dr. Bolden reminded Ms. Fletcher to give the STEM proposal to the committee for critical review so that we can discuss it during Wednesday’s meeting and present it to the leadership team.

The meeting was adjourned.
