

**RONALD E. MCNAIR LEARNING ACADEMY; S.T.E.M. ANIMATION
WORKSHOP**

“RON’S BIG MISSION ANIMATION”

Students will create an animation about a part of Ronald E. McNair’s “Big Mission” or will create a new mission for him.

Assignment instructions:

- Students will be separated into 10 teams.
- Each team will write a 2 to 3 sentence story about their animation for Ron’s Big Mission Animation
- Each team will then draw and color the characters and background for their animation.
- Each team will then use the storyboard worksheet to draw a 7 to 10 panel storyboard for their animation. **(Please try not to go over 10 panels as it will take too long to animate and might not be finished in one day)**

ASIFA Animation Teacher will return in 1 week to look over work to make sure they’re ready to animate.

Have fun kids and get ready to animate May 9th! 😊
